Further, this Privacy Policy covers only this Site and does not apply to any other third-party website. This website may contain links or references to other websites, including those of the FEBRE FRAMEWORKS Group Companies or "Group Company" individually (as further defined below). We encourage you to read the privacy policy of any third-party website that you visit or use, even if it is a website of a FEBRE FRAMEWORKS Group Company. We encourage you to exercise caution when providing any personally identifiable information to third parties. We have no control over the security of any information that you transmit to any unaffiliated third-party outside of this website. As referenced above, FEBRE FRAMEWORKS has no control over the privacy practices employed by any unaffiliated third-party website, products or services and cannot be responsible for the protection and privacy of any information that you provide while visiting such websites or outside of the FEBRE FRAMEWORKS website. You acknowledge that this Privacy Policy is part of and incorporated by reference with our Site and Services and Terms of Use, and by accessing or using our Site and Services; you agree to be bound by all of its terms and conditions. If you do not agree to these terms, please do not access or use the Site and Services.

For anyone reviewing the information provided by any third party to FEBRE FRAMEWORKS on this Site, the majority of the information, content and material set forth on the pages of this Site can be from third parties and contain the representations and opinions of those third parties, who are not affiliated with FEBRE FRAMEWORKS,

and are not intended to be views or positions of FEBRE FRAMEWORKS Any such representations of positions about FEBRE FRAMEWORKS are not intended to be relied upon as fact since they may be subject to change, and do not serve as any substitute for consultation, advice, or encouragement to proceed with any purchase or sale on this website. All viewers are expected to conduct further due diligence before making any purchase or proceeding with any transaction. In no event shall FEBRE FRAMEWORKS be liable for any loss or damage whatsoever, including without limitation any direct, indirect, special, incidental, punitive, or consequential loss or damage, arising from or out of or in connection with any data and privacy matters arising out of or in connection with any such reliance on a third party with any independent transaction conducted on this website. FEBRE FRAMEWORKS makes no representation or warranty as to the reliability, accuracy, timeliness, usefulness, adequacy or suitability of the information regarding any such third-party requesting your information that is not FEBRE FRAMEWORKS.

FEBRE FRAMEWORKS is a company engaged in real estate photography and aerial photography operations through the use of drones or other photographic devices, and other real estate development operations. Through the Site, Users can engage with the principal(s) of the Company, purchase Services, review Company projects and results, and more. All data collected is related to these Business Purposes.

CHANGES TO THIS PRIVACY POLICY

This Privacy Policy may be revised periodically, and this will be reflected by a "last modified" date below. Please revisit this page to stay aware of any changes. In general, we only use your Personally Identifiable Information in the manner described in the Privacy Policy in effect when we received such information. Your continued use of the Site constitutes your agreement to this Privacy Policy and to later revisions. For revisions to this Privacy Policy that may be materially less restrictive on our use or disclosure of Personally Identifiable Information you have provided to us, we will make reasonable efforts to notify you and obtain your consent before implementing such revisions with respect to such information.

FEBRE FRAMEWORKS, its divisions, subsidiaries, affiliates, parent(s), and group companies (the "FEBRE FRAMEWORKS Group Companies"), respect the privacy and the integrity of any information that you provide in the use of our Site and Services. This Privacy Policy explains our policy regarding the collection use, and disclosure of your personal information. This Privacy Policy will be continuously assessed against new technologies, business practices, and our user's needs. As the Site and Services become expanded and diversified, this Privacy Policy may evolve. Please check this Privacy Policy from time-to-time for updates. Any changes to this Privacy Policy will be reflected and notification will be here.

We reserve the right to change this Privacy Policy at any time. Such changes, modifications, additions or deletions shall be effective immediately upon notice thereof, which may be given by means including, but not limited to issuing an email to the email address listed by registered users or simply posting the revised Privacy Policy online. You acknowledge and agree that where it is required, it is your responsibility to maintain a valid email address, profile, and/or as a registered user, review this Site and this Privacy Policy periodically and to be aware of any modifications. Your continued use of the site after such modifications will constitute your: (a) acknowledgment of the modified Privacy Policy; and (b) agreement to abide and be bound by the modified Privacy Policy.

FEBRE FRAMEWORKS is committed to protecting the privacy of our users of our Site and Services. It is Company policy to comply with applicable privacy laws and in the event your personal information is provided and used, to use your personal information consistent with the parameters of providing the Site and Services, to enhance your experience with the Site and Services, and to improve the Site and Services. We do not sell, lease, or rent our customer lists to third parties and we do not sell any personal data. Furthermore, by voluntarily providing your email address, you are subject to receive email notifications and/or news from sponsors. It is your obligation to select the option to decline receipt of emails, news or other emails from us or any sponsors; otherwise, you can receive email notifications and advertisements. If you as the user decide on Your own accord to respond to an advertisement to a company, any privacy interest you wish to protect may be at risk. Such action constitutes no affiliation with FEBRE FRAMEWORKS; instead, we will disclaim responsibility. Per this agreement, we do not have responsibility for those terms and no recourse is found through FEBRE FRAMEWORKS. Otherwise, it is FEBRE FRAMEWORKS policy to only disclose your personal information as authorized and/or as required by applicable law.

It is the goal of this Privacy Policy to address questions about how the Company treats personal information gathered from visitors, users, and purchasers of the Site and Services; specifically, the collection, use, and disclosure of your personally identifiable information in connection with your use of the Site and Services, Services, the Content and more as all defined in the Terms and Conditions. In addition, if our Site and Services require the use of Google, Twitter, Facebook, Instagram, or any other or third-party payment company platform, website or service, you are subject to those policies found on their individual websites and platforms and are incorporated herein by reference. If you do not agree to those terms of service and use of those individual and other third-party websites, platforms, and services, please do not agree to use theirs or our Site and Services.

1. Types of Information Collected

In order to better provide you with our Site and Services, we collect two types of information about our users: personally identifiable Information and non-personally identifiable information. Some Users will submit their personally identifiable information in order to be a participant on the Site. Our primary goal in collecting information from you is to provide you with a smooth, efficient, and customized experience while using our Site and Services. Furthermore, it enables us to give you convenient access to our Site and Services and focus on categories of greatest interest to you. In addition, your personally identifiable information helps us keep you posted on the latest announcements, special offers, and market events that you might like to hear about to assist with a home purchase or sale in the real estate market.

Personally Identifiable Information: This refers to information that lets us know the specifics of who you are. When you engage in certain activities on this site, such as registering for a membership, completing an application, submitting content and/or registering for tickets or engagements on the Site, engaging in discussion forums or other public areas, entering a contest or sweepstakes, filling out a survey, ordering product from us and processing that order, or sending us feedback, we may ask you to provide certain information about If you.

It is completely optional for you to engage in these activities, elect to engage in these activities, however, we may ask that you provide us personal information, such as:

- Gender

- First name and surname
- Delivery address (street, house number, post/zip code and city)
- [Optional] billing address (street, house number, post code and city)
- Telephone number
- [Optional] date of birth
- E-mail address
- IP address

and other personal identifying information. When registering on this Site or receiving services from any of the Site and Services provided, you may be asked to provide a credit card number. We use this Personal Information to process your orders and to answer queries regarding your order. We use your favorites, overview of orders and reviews to gain insight into the products you prefer. The grounds for processing we use are the implementation of the agreement that we have made with you, the fulfillment of our legal obligations and our legitimate interest in gaining insight into the product preferences of our customers. This allows us to adjust the range of products we sell to meet the preferences of our customers. Depending upon the activity, some of the information we ask you to provide is identified as mandatory and some as voluntary. If you do not provide the mandatory data with respect to a particular activity, you will not be able to engage in that activity, purchase, or receipt of service.

Non-personally Identifiable Information: This refers to information that does not by itself identify a specific individual. We gather certain information about you based upon where you visit, purchase, and/or use of Site and Services in several ways. This information is compiled and analyzed on both a personal and an aggregated basis. This information may include the Web site's Uniform Resource Locator ("URL") that you just came from, which URL you next go to, what browser you are using, and your Internet Protocol ("IP") address. A URL is the global address of documents and other resources on the World Wide Web. An IP address is an identifier for a computer or device on a Transmission Control Protocol/Internet Protocol ("TCP/IP") network, such as the World Wide Web. Networks like the Web use the TCP/IP protocol to route information based on the IP address of the destination. In other words, an IP address is a number that is automatically assigned to your computer whenever you are surfing the web, allowing web servers to locate and identify your computer. Computers require IP addresses in order for users to communicate on the Internet. Further, purchasing Applications for mobile devices as an aspect of the Site and Services may involve access to the same information if/when it is demanded and tracked

2. Collection Methods and Use of Information

Aside from what you provide about your purchases and upon registration for your account with FEBRE FRAMEWORKS, we do not collect any additional forms of Personally Identifiable Information about you unless you voluntarily provide it to us. As stated, you provide certain Personally Identifiable Information to us when you: (a) register for our Site and Services and register your email address with us; (b) disclose your home address and aspects about yourself upon purchasing Services; (c) sign up for special offers; (d) send email messages, submit forms, or transmit other information through this Site (whether email, telephone, etc.); or (e) submit your credit card or other payment information when paying FEBRE FRAMEWORKS for products through third party payment applications (as further described below). We may also collect information from you at other points on our Site that state that such information is being collected,

which may include browsing history, subscribing to email lists or newsletters, contacting customer service personnel, and cookie tracking information.

In addition, we may also collect, or our third-party ad server and/or content server may collect, certain Non-personally Identifiable Information. This information is ultimately stored in the form of store categories, and, in some cases, specific URLs. We use your IP address to diagnose problems with our servers, software, to administer our site and to gather demographic information. Our third-party ad servers will also provide us with summary, but not individual, reports that will tell us how many ads were presented and clicked upon at our site. Any of your personally or non-personally identifiable information that may be obtained from third parties for which you may use to register for our Site and Services may not be covered by this Privacy Policy; therefore, you will be subject to the terms and conditions and privacy policies of those respective third parties.

We will primarily use your Personally Identifiable Information to provide our Services to you, as required by our agreements with you. We will also use Personally Identifiable Information to enhance the operation of our site, fill orders, improve our marketing and promotional efforts, statistically analyze site use, improve our product and service offerings, and customize our site's content, layout, and services. We may use Personally Identifiable Information to deliver information to you and to contact you regarding administrative notices. We may also use Personally Identifiable Information to resolve disputes, troubleshoot problems and enforce our agreements with you, including our Site Terms of Use and this Private Policy.

3. Release of Information

We do not sell, trade, or rent your Personally Identifiable Information to others other than the Group Companies; thus, any information released to third parties is at your will and because you disclosed it on our Site due to your desire to purchase products, learn more about real estate photography and aerial photography using drones or other photographic devices, and other real estate development operations. We may provide some of our Site and Services through contractual arrangements with affiliates, service providers, partners and other third parties. We and any of our service partners use your Personally Identifiable Information to operate our Site and Services and to deliver those services. For example, we may release your email address or physical address information for the electronic or physical delivery of photographs or other products that you ordered (if not already transmitted online); and provide order information to third parties that help us provide customer service.

We will encourage our service partners to adopt and post their own individual privacy policies. However, as stated above, the use of your Personally Identifiable Information by our service partners is governed by the privacy policies of those service partners and is not subject to our control.

We may disclose your Personally Identifiable Information to a third party in connection with a corporate reorganization, merger, sale, joint venture, assignment, transfer or other disposition of all or any portion of our business, assets or stock, including in connection with any bankruptcy or similar proceedings.

Occasionally we may be required by law enforcement or judicial authorities to provide Personally Identifiable Information to the appropriate governmental authorities. We will disclose Personally Identifiable Information upon receipt of a court order, subpoena, or to cooperate with a law enforcement investigation. We fully cooperate with law enforcement agencies in identifying those who use our services for illegal activities. We

reserve the right to report to law enforcement agencies any activities that we in good faith believe to be unlawful.

We may also provide Non-personally Identifiable Information about our customers' sales, patterns, and related site information to third party advertisers, but these statistics do not include any Personally Identifiable Information and are anonymized and de-identified analytics.

4. Updating and Correcting Information

We believe you should have the ability to access and edit the Personally Identifiable Information that you have provided to us. You may change any of your Personally Identifiable Information in your account online at any time by linking to your account in accordance with instructions posted elsewhere on this site. You may also access and correct your personal information and privacy preferences by writing us at:

FEBRE FRAMEWORKS LLC
3802 Ehrlich Rd #308
Tampa, Florida 33624
Email: Booking@FebreFrameworks.com

Please include your name, address, and/or email address when you contact us.

We encourage you to promptly update your Personally Identifiable Information if it changes. You may ask to have the information on your account deleted or removed; however, because we keep track of past transactions, you cannot delete information associated with past transactions on this site. In addition, it may be impossible to completely delete your information without some residual information because of backups.

5. User Choices on Collection and Use of Information

We may, from time to time, send you email regarding our Site and Services. In addition, if you indicated upon registration of any account with Company that you are interested in receiving offers or information from us and our partners, we may occasionally send you direct mail about products and services that we feel may be of interest to you. Only Company (or agents working on behalf of Company (and under confidentiality agreements) will send you these direct mailings and only if you indicated that you do not object to these offers. If you do not want to receive such mailings, simply tell us when you give us your personal information. Or, at any time you can easily edit your account information to no longer receive such offers and mailings.

We also may disclose Personally Identifiable Information collected via third-party cookies embedded in the website, when you give consent for the use of those cookies, described in more detail in our Cookies Policy, identified below in Paragraph 7. By modifying your browser preferences, you have the choice to accept all cookies, to be notified when a cookie is set, or to reject all cookies. If you choose to reject all cookies some parts of our site may not work properly in your case (to the extent cookies are collected). Otherwise, We may disclose your Personally Identifiable Information to third-party service providers so that they may provide us with services such as payment processing, website hosting, professional services, including information technology services and related infrastructure, customer service, e-mail delivery, auditing and other similar services necessary to the Site and services you request.

We use your e-mail address to send the emails and potential newsletters once you've provided express permission for this. You can unsubscribe from receiving emails or newsletters by clicking the unsubscribe link in the newsletter or by withdrawing permission in your account at any moment. We use your click behavior to determine which parts of the newsletter interest you. We use this information to compile our product offer on the site. We process your click behavior based on our legitimate interest in gaining insight into the product preferences of our customers.

6. Retention and Security of Information

Retention

We store your Personally Identifiable Information only for as long as required to achieve the objectives that your data has been collected for. We don't store data outside of the continental and contiguous United States of America. The retention period that we adhere to is stated below for each processing.

a. Order On The Website

We're legally required to store your data for seven (7) years.

b. Ordering When Using An Account

We're legally required to store your data for seven years. In addition, we store your data as long as your account is active. After removing your account, we'll only store your data for as long as is legally required. If this isn't the case, the data will be removed immediately.

c. Browsing The Website

We store your visitor (i.e., User) data for at least 26 months, after which the data is prepared for deletion or removed sooner unless otherwise requested.

d. Newsletter and Advertising Subscriptions

We store your consent to receive newsletters or advertising communications for two years. We also store your request to cancel your newsletter subscription for two years.

e. Customer Service

We keep customer contact notes for as long as you are an active customer with us. A telephone conversation can be recorded for training and analysis purposes. We have a legitimate interest in using these interactions to improve our customer service. We store the telephone calls pursuant to our data collection practices.

Storage

At any of our Site and Services, you can be assured that your Personally Identifiable Information is secure, consistent with current industry standards. The importance of security for all Personally Identifiable Information associated with our user is of utmost concern to us. Your Personally Identifiable Information is protected in several ways. Access by you to your Personally Identifiable Information is available through a password and unique customer ID selected by you. This password is encrypted. We recommend that you do not divulge your password to anyone. In addition, your Personally Identifiable Information resides on a secure server that only selected Company personnel and contractors have access to via password. We encrypt your Personally Identifiable Information and thereby prevent unauthorized parties from viewing such information when it is transmitted to us. Until otherwise noticed to the contrary, FEBRE FRAMEWORKS Stores all data within its third-party CRM database.

Personal information that you provide that is not Personally Identifiable Information also resides on a secure server and is only accessible via password. Since this information is

accessible from outside Company, you may be asked to select a password in order to view or modify such information (if the Site possesses such features).

In order to most efficiently serve you, credit card transactions and order fulfillment are handled by established third party banking, processing agents and distribution institutions. They receive the information needed to verify and authorize your credit card or other payment information and to process and ship your order. FEBRE FRAMEWORKS utilizes third parties like Stripe and Wave to process your payment transactions and it stores the payment data and other forms of personally identifiable information related thereto in accordance with its own privacy policy terms – for which you will be subject to the terms and conditions of those third-party payment platforms.

Unfortunately, no security system or data transmission over the Internet or any wireless network can be guaranteed to be 100% secure. Accordingly, we cannot guarantee the security of your personal information and cannot assume liability for improper access to it. The internet is not a secure medium and you acknowledge and agree that the privacy of your e-mail communications and Personally Identifiable Information can never be guaranteed as any email communication, order, purchase, or posting may be lost, intercepted, altered, or hacked. As a result, while we strive to protect your Personally Identifiable Information, you acknowledge that: (a) there are security and privacy limitations of the Internet which are beyond our control; (b) the security, integrity and privacy of any and all information and data exchanged between you and us through this site cannot be guaranteed; and (c) any such information and data may be viewed or tampered with in transit by a third party. Moreover, as indicated above, you are subject to the privacy and data security terms and conditions of third parties when you access those sites and engage in any monetary transactions through the use of those third parties, even if there is a business relationship or business affiliation with Company.

Further, in the event any of our Site and Services are connected in any way to “hyperlinks” to other websites, you acknowledge and agree that Company makes no representation, warranty, covenant, or claim regarding Company, and Company expressly disclaims and denies any responsibility or liability for, directly or indirectly, the privacy practices on any third-party website or resources accessible by hyperlink form from any of our Site and Services. You agree that the inclusion of any such hyperlink does not suggest, represent, warrant, covenant or imply that Company monitors, endorses, or exerts any control over such Site and Services whatsoever. You agree that Company provides these hyperlinks to you, if any, only as a convenience, and the inclusion of any hyperlink does not suggest, represent, warrant, covenant or imply affiliation, endorsement, ownership, or adoption by Company of any such website or linked resource whatsoever.

7. Analytics and Cookies

Google Analytics is a Google tool that we use for web analysis and allows us to understand how Users engage with our website and other sites. Google Analytics may use cookies to collect non-personally identifiable information. For more information on Google Analytics, please visit www.google.com/policies/privacy/partners/. Cookies are small bits of information cached or stored on a computer, mobile or other device of a user for record keeping purposes. Cookies allow us to distinguish between the various web store visitors and handle your orders correctly. Cookies may be used for many purposes, including, but not limited to: remembering you and your preferences and tracking your usage in order to improve the service; can measure how our website is used and how to improve it; recognizing which device you use when you're visiting the

Site; showing you advertisements and recommendations based on your interests; or register (or have registered) how often an advertisement is displayed, to better let the advertisements meet your needs and interests and prevent you constantly seeing the same advertisement. Cookies themselves do not typically contain any Personally Identifiable Information. We may analyze the information derived from these cookies and other technological tools we employ to make improvements and in keeping with observed User preferences. They allow us to remember useful information, which allows certain functionality within any FEBRE FRAMEWORKS applications or the Site to work, for example, remembering if you've logged in. Most web browsers automatically accept cookies; however, you can usually change your browser settings to refuse all cookies or indicate when a cookie is being sent. If you choose to disable cookies, some parts of the Sites may not function properly or may be considerably slower, or there may be some features that will not be available to you.

As well as cookies, we use web beacons, tracking pixels and JavaScript. These are standard Internet technologies that, together with cookies, ensure our web server can collect information about your visit to the Site and use this information. When referring to "cookies", we mean cookies plus other technologies.

We don't have to request your permission to set up and read certain cookies. This applies to:

- Cookies that allow you to communicate via the internet;
- Cookies that are required for using the functionality of the website;
- Analytical cookies that have little or minimum impact on your privacy.

For advertising and marketing cookies we request your permission before we set them up and read them. We do this via the cookie statement in our website, where it states that you can accept advertising and marketing cookies by clicking further on web pages within our website. If you don't accept the advertising and marketing cookies, then you can state this by clicking on the relevant link in the cookie statement and making a choice. You can always withdraw your choice by adjusting your cookie preferences.

FEBRE FRAMEWORKS may use an outside ad serving company to display banner advertisements on its Site. As part of their service, they may place a separate cookie on your computer; hence, a cookie opt-in or opt-out capability option will be available on that site. We will not provide any third-party ad server with any of your Personally Identifiable Information or information about your purchases. We and our third-party ad server will collect and use Non-personally Identifiable Information about you, such as your IP address, browser type, the server your computer is logged onto, the area code and zip code associated with your server and whether you responded to a particular ad. Other advertisers may also place banner ads on our site in the same manner as above, but we will not disclose any Personally Identifiable Information to them.

8. CALIFORNIA PRIVACY RIGHTS; NEVADA RESIDENTS; RESIDENTS OF THE EUROPEAN UNION; AND ONLINE TRACKING

California Civil Code Section 1798.83 permits Users that are residents of California to request and obtain from us once a year, free of charge, a list of all third parties to which the company has disclosed certain personally identifiable information as defined under California law for such third parties' direct marketing purposes in the preceding calendar year. If you are a California resident and would like to make such a request, please

email us or write us at the address noted below. The California Online Privacy Protection Act (“CalOPPA”) requires FEBRE FRAMEWORKS to disclose how it responds to ‘Do Not Track’ signals set in a user’s browser. FEBRE FRAMEWORKS supports Do No Track browser settings. If you enable Do Not Track privacy settings in the browser you are using, we will use commercially reasonable efforts to stop collecting the information that allows us to tailor the website to user preferences based on users’ recent use of this website and its services. Consequently, we will not store or use information about any other websites you visit, other than our website.

However, please note that we are not required to erase or otherwise eliminate content or information if (i) other state or federal laws require us or a third party to maintain the content or information; (ii) the content or information was posted, stored, or republished by another user; (iii) the content or information is anonymized so that you cannot be individually identified; (iv) you do not follow the instructions posted in this Privacy Policy on how to request removal of your content or information; (v) you have received compensation or other consideration for providing the content. Further, nothing in this provision shall be construed to limit the authority of a law enforcement agency to obtain the applicable content or information.

Further, effective January 2020, for the purposes of the California Consumer Privacy Act of 2018 ("CCPA"), this statute was put into legal effect. FEBRE FRAMEWORKS shall not be considered a Business and/or Third Party, as applicable under the CCPA at that time. Where this status changes and FEBRE FRAMEWORKS acts as a Business and/or Third Party, you represent, warrant and covenant that all Personal Information provided or otherwise made available to FEBRE FRAMEWORKS is done so in compliance with applicable law, and that it has provided all necessary and appropriate notices and opt-outs, and otherwise has all necessary and appropriate rights, to enable FEBRE FRAMEWORKS to (i) share any and all Personal Information you provided with FEBRE FRAMEWORKS and any parent, subsidiary, affiliate, or related company of the FEBRE FRAMEWORKS Group Companies, and (ii) use any such Personal Information in connection with any and all FEBRE FRAMEWORKS Group Companies' internal operations and functions, including, but not limited to, improving such FEBRE FRAMEWORKS Group Companies' products and/or services, operational analytics and reporting, internal financial reporting and analysis, audit functions and archival purposes. Notwithstanding the foregoing, the parties agree that the sharing of Personal Information between FEBRE FRAMEWORKS Group Companies does not constitute a "sale" of such Personal Information under the CCPA. Capitalized terms in this paragraph have the meanings given those terms under the CCPA.

Californian consumers have the right to opt-out of having their personal information sold to third parties or to be retained by FEBRE FRAMEWORKS FEBRE FRAMEWORKS does not engage in such sales of personal information. To exercise the access, data portability, and deletion rights described above of your personal information (Personally Identifiable Information), please submit a verifiable consumer request to us by submitting a request to: OfficeManager@FebreFrameworks.com. Alternatively, you can complete the online request form located here <https://febreframeworks.com/book-us/>. Only you, or someone legally authorized to act on your behalf, may make a verifiable consumer request related to your personal information. You may also make a verifiable consumer request on behalf of your minor child.

If you use an authorized agent to exercise your rights, we will require you to provide your authorized agent with either: (1) your power of attorney authorizing the authorized agent to act on your behalf or (2) your written authorization permitting the authorized agent to request access to your personal information on your behalf together with the identity verification information for you described above and confirmation that you have provided the authorized agent permission to submit the request. You may only make a verifiable consumer request for access or data portability twice within a 12-month period. The verifiable consumer request must provide sufficient information that allows us to

reasonably verify you are the person about whom we collected personal information or an authorized representative, which may include describing your request with sufficient detail that allows us to properly understand, evaluate, and respond to it. We cannot respond to your request or provide you with personal information if we cannot verify your identity or authority to make the request and confirm the personal information relates to you. We will only use personal information provided in a verifiable consumer request to verify the requestor's identity or authority to make the request.

(V). Response Timing and Format

We endeavor to respond to a verifiable consumer request within forty-five (45) days of its receipt. If we require more time (up to 90 days), we will inform you of the reason and extension period in writing. Any disclosures we provide will only cover the 12-month period preceding the verifiable consumer request's receipt. The response we provide will also explain the reasons we cannot comply with a request, if applicable. For data portability requests, we will select a format to provide your personal information that is readily useable and should allow you to transmit the information from one entity to another entity without hindrance.

We do not charge a fee to process or respond to your verifiable consumer request unless the request would exceed one (1) hour to complete. In the event the request will exceed an hour to complete, we will notify you before continuing with the request with the estimated time it will take to complete and the total estimated fee. The fees may be less than the estimated amount but may not exceed the estimated amount. No fees will be assessed without prior acknowledgment and consent. This acknowledgment or consent may include verbal or written authorization. The acknowledgment and consent will be documented on the summary of fees when the request has been completed.

(VI). Non-Discrimination

We will not discriminate against you for exercising any of your CCPA rights. Unless permitted by the CCPA, we will not:

- Deny you goods or services
- Charge you different prices or rates for goods or services, including through granting discounts or other benefits, or imposing penalties.
- Provide you a different level or quality of goods or services.
- Suggest that you may receive a different price or rate for goods or services or a different level or quality of goods or services.
- If you have any questions or would like further information regarding this California privacy policy, please contact: (813) 906-8300.
